GIVING  
TUESDAY

November 29, 2022

Greetings Friends and Supporters,

I trust this correspondence finds you and your family doing well. On this Giving Tuesday, I am writing you to solicit your support for HSI's 2<sup>nd</sup> Annual Race and Health Equity Awards Board Reception on December 8, 2022, at the DuSable Black History Museum and Education Center 6:00pm-8:30pm. To be a sponsor, click the following link: [HSI's 2nd Race and Health Equity Awards Board Reception](#).

As you know, the coronavirus pandemic has created extreme trauma for our families, and we extend our heartfelt wishes for your wellness and safety as we navigate through this challenging period.

At **Habilitative Systems, Inc. (HSI)**, we provide programs to underserved populations living with an array of health and human service needs. We have been working in our community for over 44 years and have continued to provide essential services to hundreds of people with disabilities, mental illness, substance use disorders, seniors and youth experiencing trauma. During this pandemic, our staff has continued to work and provide competent, compassionate care while at the same time trying to maintain their own protection.

On this Giving Tuesday, we need your support more than ever to also address race and health equity issues in Chicago. Your donation and sponsorship will help support the certification of community health workers as they pursue their education.

Please consider making a gift on [#GivingTuesdayNow](#). Your gift to HSI will help us to continue this vital work.

Thank you for your consideration and stay safe!

Donald Dew  
President and CEO  
Habilitative Systems, Inc.
