Event Details

Event: 5th Annual Race and Health Equity Awards Reception

Date: Thursday, December 12, 2025

Time: 6:00 pm - 9:00 pm

Location: Garfield Park Conservatory, 300 N. Central Park, Chicago, IL 60624

Background

For 47 years, Habilitative Systems, Inc. (HSI) has been at the forefront of providing critical behavioral health and human services to individuals and families in 17 underserved communities throughout the Chicago metropolitan area. We address pressing societal needs, offering support to those affected by mental illness, disabilities, substance use disorders, violence, and trauma. Our commitment extends to affordable housing initiatives for seniors and people with disabilities, making a significant impact on Chicago's Westside and Southside.

During the COVID-19 pandemic, HSI partnered with the City of Chicago and the Illinois Department of Health to lead vital vaccination and testing initiatives. In 2020, HSI spearheaded the Counting on Chicago Coalition, ensuring an accurate census count and connecting over 45,000 individuals to critical services.

We continue to address health inequities through our partnerships, including the Westside Health Equity Collaborative and the Collaborative Bridges initiative, which focuses on rising behavioral health needs, suicide prevention, and chronic medical issues.

This year's Race and Health Award recipients include:

- Paul J. Adams, III, Executive Chairman and Founder, Providence St. Mel School
- Bernard Clay, Executive Director, Introspect Youth Services, Inc.
- Creasie Finney Hairston, Ph.D., Professor and Dean, Jane Addams College of Social Work at the University of Illinois Chicago
